

Capt. Fatty -

12-3-63

Capt. Gilberth came by office.  
Wanted to give information  
about who gave the word  
that the way was clear for  
the transfer of Oswald.  
He said that he talked to  
Beck twice on the phone  
saying they were ready.  
St. Higgins is the one who  
gave the word from the  
jail office that it was clear.
